

Xplore Appoints Exploration Growth Expert to the Board

VANCOUVER, BC, June 19, 2024 – **Xplore Resources Corp. (TSX-V: XPLR)** (“**Xplore**” or the “**Company**”) is pleased to announce the appointment of John Newell to the Xplore Board of Directors. Mr. Newell has over 35 years of capital markets experience, with nearly 25 years financing and managing successful resource exploration and development companies. He has an unbroken track record of delivering shareholder growth and is currently serving as President and CEO of Golden Sky Minerals Corp., a well-funded junior explorer focused on discovering new precious metal and copper projects in Canada. Mr. Newell is also a regular contributor and guest commentator for a range of mining and investment publications. He joins Xplore as the Company prepares to drill its flagship Surge lithium project in northern Ontario, Canada.

Dominic Verdejo, President, and CEO for Xplore, commented, “*I am delighted to welcome John Newell to the Xplore Board of Directors, who joins at a very exciting time for the Company. As an expert in the junior resource sector, Mr. Newell’s deep experience in resource company financing and leadership will further enhance Xplore’s Board, and we look forward to working with him during what promises to be a catalyst-filled period of growth.*”

The Company also advises that it has closed the Surge North property transaction announced in its June 6, 2024 news release. The Company issued 1,500,000 common shares and paid \$75,000 to the vendor of the property. The vendor retains a 2% NSR on the property, half of which can be purchased by the Company at any time for \$750,000.

About Xplore Resources

Xplore Resources is a North American lithium exploration company listed on the TSX Venture Exchange under symbol XPLR. The Company has a prospective land package in the emerging Root Bay lithium district located in northwest Ontario. Xplore’s flagship property is the Surge lithium project, on trend and near two lithium deposits and just 25 m from a new lithium discovery. The Company is led by a highly experienced management team with a strong track record of growing shareholder value.

ON BEHALF OF THE BOARD OF DIRECTORS,

Dominic Verdejo, CEO
Xplore Resources Corp.

Forward-Looking Information and Statements

Statements contained in this press release that are not historical facts are “forward-looking information” or “forward-looking statements” (collectively, “Forward-Looking Information”) within the meaning of applicable Canadian securities legislation and the United States Private Securities Litigation Reform Act of 1995. The words

“anticipate,” “significant,” “expect,” “may,” “will” and similar expressions are intended to be among the statements that identify Forward-Looking Information. Forward-Looking Information is subject to known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those implied by the forward-looking information. In preparing the Forward-Looking Information in this news release, the Company has applied several material assumptions, including, but not limited to, assumptions that general business and economic conditions will not change in a materially adverse manner and all requisite information will be available in a timely manner. Factors that may cause actual results to vary materially include, but are not limited to, inaccurate assumptions concerning the exploration for and development of mineral deposits, currency fluctuations, unanticipated operational or technical difficulties, risks related to unforeseen delays; general economic, market or business conditions, regulatory changes; timeliness of regulatory approvals, the risks of obtaining necessary licenses and permits, changes in general economic conditions or conditions in the financial markets and the inability to raise additional financing. Readers are cautioned not to place undue reliance on this Forward-Looking Information. The Company does not assume the obligation to revise or update this Forward-Looking Information after the date of this release or to revise such information to reflect the occurrence of future unanticipated events, except as may be required under applicable securities laws.
